

U CLAMP

Product information sheet

EIC-25 · Thermal Insulation

U CLAMP

Heavy-duty GI U Clamp designed for secure and reliable pipe fastening and support.

Material: Galvanized Steel / GI

Primary use: PIPE SUPPORT

Product overview

EIC U Clamps are manufactured from galvanized steel for strength, durability, and corrosion resistance. They provide firm pipe holding and are suitable for industrial piping, HVAC, insulation, and support applications.

Applications

- Industrial piping support
- HVAC & refrigeration systems
- Insulation support assemblies
- Pipe fastening and clamping
- Commercial & infrastructure projects

Key features

- GI U Clamp, Galvanized Steel U Clamp, Pipe Clamp, U-Bolt Clamp, Heavy Duty Pipe Support, Industrial Pipe Fittings, HVAC Pipe Support, Corrosion Resistant Clamp, EIC U Clamp, Pipe Fastening Solutions.

Available options / specifications

Contact EIC for available specifications. Share your size, thickness and quantity and EIC will confirm the options available for U CLAMP.
